

**S1 Fig. Annual anomalies of log**<sub>10</sub> biomass (g m<sup>-2</sup>) of the **20 zooplankton taxonomic** groups, from **1996 to 2018.** Baseline (climatology) period was 1996-2010. Y-axes are the annual anomalies; note the scales differ. Y-axes are labelled with the abbreviated names of each zooplankton group (abbreviated names are defined in Table 1).
